The SoundPoint® IP Color Expansion Module is a 14-line console that expands the potential of call handling when used with the SoundPoint IP 670 phone.

These items are included in your SoundPoint IP Color Expansion Module package. If you are missing any items, contact your SoundPoint IP Color Expansion Module reseller.

**Parts List**

- **SoundPoint IP Color Expansion Module**
- **Base Stand**

SoundPoint IP Color Expansion Module Quick Start Guide
Installation

1. Remove the rubber plug that ships with the unit from the SoundPoint IP 670 phone or from the Color Expansion Module.

2. Align the Expansion Module at the top of the groove lines on the SoundPoint IP 670 phone and slide unit downwards until unit clicks into position. Connect the Base Stand for each Module.

3. To connect up to three Expansion Modules together, repeat steps 1 and 2.
Features

Power is automatically transferred from the host SoundPoint IP 670 phone to Color Expansion Module(s) upon connection. Units may be plugged and unplugged (hot-swapped) at any time to a live SoundPoint IP 670 host phone.

The welcome logo will appear on the display as soon as each Color Expansion Module is detected. After a brief period, this will disappear and the Color Expansion Module can be configured for lines, speed dials or Directory Numbers as desired.

Up to three Expansion Modules can be cascaded to a single host phone, increasing the total number of buttons to 48 for intensive business IP telephony users.

Each of the 14 keys on the Expansion Module feature individual dual-color LED indicators, allowing easy recognition of line or call state. Keys may be programmed for speed dials, lines or directory numbers (DN).

Check with your system administrator if any errors appear during the configuration process or if a specific configuration is required for your application.

For further instructions on how to use your new SoundPoint IP Color Expansion Module for line or speed dial capability, please consult the SoundPoint IP 670 User Guide.

Warranty, Copyright, Safety Notices

LIMITED WARRANTY. Polycom warrants to the end user (“Customer”) that this product will be free from defects in workmanship and materials, under normal use and service, for one year from the date of purchase from Polycom or its authorized reseller. Polycom’s sole obligations under this express warranty shall be, or Polycom’s option and expense, to repair the defective product or part to replace the defective item, as or if neither of the two foregoing options are reasonably available, Polycom may, in its sole discretion, offer to Customer the purchase price paid for the defective product. All products that are replaced will become the property of Polycom. Replacement products or parts may be new or reconditioned. This warranty may not be replaced or reproduced in part for twenty (90) days from shipment, or the remainder of the initial warranty period, whichever is longer.

Polycom will not be liable under this warranty if its testing and examination has shown that the alleged defect or malfunction in the product does not exist or results from:
- Failure to follow Polycom’s installation, operation, or maintenance instructions.
- Unauthorized modification or alteration of the product.
- Abuse, misuse, negligent acts or omissions of Customer and persons under Customer’s control or
- Acts of third parties, acts of God, accident, fire, lightning, power surges or outages, or other hazards.

WARRANTY EXCLUSIVE. IF A POLYCOM PRODUCT DOES NOT OPERATE AS WARRANTED ABOVE, CUSTOMER’S SOLE REMEDY FOR BREACH OF THAT WARRANTY SHALL BE REPAIR, REPLACEMENT OR REFUND OF THE PURCHASE PRICE PAID, AT POLYCOM’S OPTION. TO THE FULL EXTENT ALLOWED BY LAW, POLYCOM DISCLAIMS ANY OTHER WARRANTIES, TERMS, OR CONDITIONS, EXPRESSED OR IMPLIED, INCLUDING, WITHOUT LIMITATION, WARRANTIES, TERMS, OR CONDITIONS OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, SATISFACTORY QUALITY, REPAIR, REPLACEMENT, OR REFUND OF THE PURCHASE PRICE PAID, AT POLYCOM’S OPTION. THIS DISCLAIMER OF LIABILITY FOR DAMAGES WILL NOT BE AFFECTED IF ANY REMEDY PROVIDED HEREIN SHALL FAIL OF ITS ESSENTIAL PURPOSE.

DISCLAIMER. Some countries, states, or provinces do not allow the exclusion or limitation of implied warranties or the limitation of incidental or consequential damages for certain products supplied to consumers, or the limitation of liability for personal injury, so the above limitations and exclusions may not be effective in their entirety. When the implied warranties are not allowed to be excluded in their entirety, they will be limited to the duration of the applicable written warranty. This warranty gives you specific legal rights that may vary depending on local law.

GOVERNING LAW. This Limited Warranty and Limitation of Liability shall be governed by the laws of the State of California, U.S.A. and by the laws of the United States, excluding their conflicts of laws principles. The United Nations Convention on Contracts for the International Sale of Goods is hereby excluded in its entirety from application to this Limited Warranty and Limitation of Liability. All rights reserved under International and Pan-American Copyright Conventions. No part of the contents of this manual may be copied, reproduced, or transmitted in any form by any means, or translated into another language or format, in whole or part, without written consent from Polycom, Inc. Do not remove (or allow anybody else to remove) any product identification, copyright, or other notices. SAFETY AND REGULATORY INFORMATION. This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. This equipment is tested and complies with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one of the following measures:
- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

In accordance with Part 15 of the FCC Rules, the user is cautioned that any changes or modifications not expressly approved by Polycom, Inc. could void the user’s authority to operate the equipment.

Safety and Service Upgrades: Polycom recommends contacting the Polycom Authorized Reseller for information about available service agreements applicable to your product.

Entertainment and data services, voice over internet protocol (VoIP), and voice over long distance (VoLTD) services can pose safety and security risks. These include, but are not limited to, product hacking and unauthorized access to your communications. It is your responsibility to protect your communications from such risks.

If you suspect unauthorized access or hacking, please notify Polycom immediately. Polycom will assist you in taking appropriate steps to protect your communications.

Polycom recommends the following safety precautions:
- Use strong, unique passwords for your account.
- Change your passwords regularly.
- Enable two-factor authentication (2FA).
- Keep your software and firmware up to date.
- Avoid using public Wi-Fi networks.
- Use a virtual private network (VPN) when accessing your account.

Polycom will do its best to protect your communications, but it is ultimately your responsibility to take steps to protect yourself.
