For support, go to [Poly Support](#).

For Warranty information, see the [Polycom Product Warranty Guide](#).

- 1 (Optional) Mount the Lenovo PC using the mounting kit. Refer to the *Poly G10 Series, Poly G40 Series, and Poly G80 Series PC Mounting Kit Setup Sheet*.
- 2 Remove the bottom panel from the Poly GC8: loosen the screw with a Phillips #1 screwdriver, turn the GC8 faceup, press the rubber circles on each side, and slide the panel off.
- 3 Remove the cable guard from the Poly GC8 using a flathead screwdriver.
- 4 Using the supplied USB-A to USB-C cable, connect the Lenovo PC (USB-A) to Poly GC8 (USB-C) and connect the Lenovo PC to Ethernet.
- 5 Connect a USB camera and display (using an HDMI cable) to the Lenovo PC.
- 6 (Optional) Connect a second display to the Lenovo PC.
- 7 (Optional) Connect an audio device to Poly GC8 (using a USB-A cable) and to Power over Ethernet (if needed).
- 8 (Optional) Connect an additional PC/laptop for content sharing to Poly GC8 (using an HDMI/HDMI Mini cable).
- 9 Replace the cable guard in the Poly GC8 and replace the bottom panel and tighten the screw.

This product cannot be connected directly to the telecommunications circuits (or public wireless LANs) of any telecommunication carriers (e.g., mobile communications carriers, fixed communications carriers, or internet providers). In the case of connecting this product to the Internet, be sure to connect it via a router.

- 10 Connect the keyboard and mouse to the Lenovo PC.
- 11 Plug in and power on the Poly GC8 and then plug in and power on the other components.

The Lenovo PC may reboot more than once as it downloads and installs updates. Do not shut down the Lenovo PC during this process.

- 12 Complete the Windows Out-of-Box Setup using your keyboard and mouse.

The Lenovo PC may reboot more than once as it downloads and installs updates. Do not shut down the Lenovo PC during this process. When complete, the Microsoft Teams Rooms Setup screen appears on the GC8.

- 13 Follow the on-screen prompts to complete your configuration. For detailed instructions, see [Microsoft Teams Rooms](#).

When complete, the Lenovo PC reboots one more time.

Accessibility Features

For information on software accessibility features, see [Accessibility support for Microsoft Teams](#).

The Poly GC8 provides a 3.5 mm audio out jack so that people who are hard of hearing can use third-party assistive technology peripherals.
