Patch Notes
Polycom® RealPresence® Collaboration Server

Build ID: 8.8.1.2630

Released File: OVA, ISO, BIN, Upgrade File

Release Date: Jan 17th, 2020

Purpose

This patch includes fixes for the following issues when applied over the RealPresence Collaboration Server 8.8.1.0.1 release.

Issue ID	Category	Description
EN-154665	Stability	RealPresence Desktop disconnected from ongoing conference as RMX was unable to encode the Cyrillic characters present in the VMR username.
EN-157860	Stability	Multiple media card reboots observed after the RMX upgrade causing active calls to drop.
EN-123932	Stability	A media card reboot was observed leading to confparty coredump and causing all active calls to drop.
EN-156706	User Interface	Participants added to meeting room in RMX were not visible when reopening that meeting room.
EN-145224	Audio	Noise observed during ongoing conference in RMX 2000/4000 when all the participants were muted.
EN-146948	Video	A Poly Group Series endpoint did not receive video intermittently in an ongoing SVC conference.
EN-161908	Stability	An RMX conference was unable to terminate automatically; it got stuck after a call setup failure.
EN-163221	Stability	A media card reboot was observed during DSP recovery causing active calls to drop.
EN-159475	General	An operator was unable to delete the chairperson password for a meeting room once it was created in the RMX Manager.
EN-159915	Stability	A media card reboot was observed causing all active calls to drop.
EN-159823	General	An RMX administrator was unable to unmute muted participants during a ongoing conference when the 'Mute Participants Except Lecturer' option was enabled.

These patch notes document only the changes from the prerequisite generally available (GA) release. Refer to the Release Notes for that GA release for the complete release documentation.

Prerequisites, Installation, Upgrade and Configuration Considerations

For information on prerequisites, installation, upgrade and configuration, please refer to the *Poly RealPresence Collaboration Server v8.8.1 Release Notes* and *Poly RealPresence Collaboration Server v8.8.1 Administrator Guide.*
