

Polycom[®] VBP[™] System Release Notes

POLYCOM[®]

Version 9.1.5.3 Addendum

Document #: 3725-78300-011A

Affected version: Polycom VBP 9.1.5.3

Release Date: November 7, 2010

Polycom[®] Video Border Proxy[™] (VBP[™]) E-Series Appliance and Avaya Interoperability

For questions and support on the Polycom - Avaya integrated solution, please contact your Avaya authorized service provider.

Polycom VBP-E Series version 9.1.5.3 appliances connect directly to generally available versions of Avaya Aura[™] Communication Manager (R5.2.1 and R 6.0) to support inbound and outbound off-network Internet video calls. Incoming H.323 video calls (without encryption) are supported when routed to Polycom RMX system meeting room extensions.
