# What's in This Release?

---

This is a general release for the Polycom® CX8000 for Microsoft® Skype™ for Business for use with the Skype for Business Server, Lync Server 2013, and Lync Server 2010.

This release supports the following Polycom devices:

- Polycom CX8000 Lync room system

The Polycom CX8000 supports the following operating systems:

- Microsoft Windows® Vista
- Microsoft Windows 7
- Microsoft Windows 8
- Microsoft Windows 8.1

These release notes provide important information on software updates, phone features, and known issues.

#### **Web Info: Polycom CX8000 User Documentation**

For information on using the CX8000 system, see the CX8000 support page on [Polycom Voice Support](#).

# Products Tested with this Release

---

The Polycom CX8000 system is tested extensively with a wide range of products. The following list is not a complete inventory of compatible equipment. It indicates the products that have been tested for compatibility with this release.

## Note: Supported products

You are encouraged to upgrade all your Polycom systems with the latest software before contacting Polycom support to ensure the issue has not already been addressed by vendor software updates. Go to [Polycom Service Policies](#) to find the Current Interoperability Matrix.
