Thank you for choosing the SoundPoint® IP 670, a multiple-line Voice over IP telephone with features and functions such as Multiple Call Appearances, Call Hold, Transfer, and Conferencing over an IP network. These items are included in your SoundPoint IP 670 package. If you are missing any items, contact your SoundPoint IP 670 reseller.
Connect Cables

1. Connect handset and headset, as shown below.
   *(Note: Headset is an optional accessory, and is not included with this package.)*

2. Connect network and power, as shown below.
   *(Note: Choose either AC Power Option, or PoE (Power over Ethernet).)*

Attach Base Stand

*Deskmount Method*

Ensure all cables are secured (as shown).
Align base stand tabs with their corresponding insertion points on the phone (as shown).
Snap base stand into place (as shown).
After it has been connected to the network and supplied with power, the SoundPoint IP 670 automatically begins a process of establishing itself on the network. For more information, see the SoundPoint IP 670 User Guide, available online at: www.polycom.com/

Wallmount Method

Note: Wallmount Unit is an optional accessory, and is not included with this package. Remove the button from the slot behind the hookswitch, rotate it 180 degrees, and then place it back in the slot (as shown).

Using wall anchors, fasten the optional wallmount unit to the wall. Align the base stand tabs with their corresponding insertion points on the phone, and then snap the phone into place (as shown).

Features

Startup

After it has been connected to the network and supplied with power, the SoundPoint IP 670 automatically begins a process of establishing itself on the network. For more information, see the SoundPoint IP 670 User Guide, available online at: www.polycom.com/
SAFETY AND REGULATORY INFORMATION. This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

1. This device may not cause harmful interference, and
2. This device must accept any interference received, including interference that may cause undesired operation.

Note: This equipment is tested and complies with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

1. Reorient or relocate the receiving antenna.
2. Increase the separation between the equipment and receiver.
3. Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
4. Consult the dealer or an experienced radio/TV technician for help.

This equipment complies with EESS 2004/35/EC and 2008/105/EC. A full copy of the Declaration of Conformity can be obtained from Polycom Ltd, 270 Road Road, Slough, Berkshire, SL3 4DB, UK.

SOFTWARE SUPPORT. Polycom will provide support for software running on the Product if all of the following conditions are satisfied:

1. The product is under warranty at the time covered by the Polycom service contract;
2. The product is running software version v2.4.10 or later;
3. The product software is the current major version or the next preceding major version (software releases are labeled as “x.x.x” with the first two digits designating major version);
4. The product software comes with 90 days software warranty from Polycom update (major version bug fixes). To continue to receive support, purchasing a maintenance contract is the most economical solution.

Requests for software support should be made through the Polycom Reseller from whom the product was purchased.

LIMITATION OF LIABILITY: TO THE FULL EXTENT ALLOWED BY LAW, POLYCOM EXCLUDES FOR ITSELF AND ITS SUPPLIERS ANY LIABILITY, WHETHER BASED ON CONTRACT OR TORT (INCLUDING NEGLIGENCE), FOR INCIDENTAL, CONSEQUENTIAL, INDIRECT, SPECIAL, OR PUNITIVE DAMAGES OF ANY KIND, OR FOR LOSS OF REVENUE OR PROFITS, LOSS OF BUSINESS, LOSS OF INFORMATION OR DATA, OR OTHER FINANCIAL LOSS ARISING OUT OF OR IN CONNECTION WITH THE SALE, INSTALLATION, MAINTENANCE, USE, PERFORMANCE, FAILURE, OR INTERUPTION OF ITS PRODUCTS, EVEN IF POLYCOM OR ITS AUTHORIZED RESELLER HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES, AND LIMITS ITS LIABILITY TO REPAIR, REPLACEMENT, OR REFUND OF THE PURCHASE PRICE PAID. AT POLYCOM’S OPTION. THIS DISCLAIMER OF LIABILITY FOR DAMAGES WILL NOT BE AFFECTED IF ANY REMEDY PROVIDED HEREIN SHALL FAIL OF ITS ESSENTIAL PURPOSE.

DISCLAIMER. Some countries, states, or provinces do not allow the exclusion or limitation of implied warranties or limitation of incidental or consequential damages for certain products supplied to consumers, or the limitation of liability for personal injury, so the above limitations and exclusions may be limited in their application to you. When the implied warranties are not allowed to be excluded in their entirety, they will be limited to the duration of the applicable written warranty. This warranty gives you specific legal rights which may vary depending on local law.

CERTIFICATIONS. This product complies with all of the following standards:

1. Acts of third parties, acts of God, accident, fire, lightning, power surges or outages, or other hazards.
2. Unauthorized product modification or alteration.

EXCLUSIONS. Polycom will not be liable under the limited warranty if its testing and examination disclose that the alleged defect or malfunction in the product does not exist or results from:

1. Failure to follow Polycom's installation, operation, or maintenance instructions.
2. Unauthorized product modification or alteration.
3. Unauthorized use of common carrier communications services accessed through the product.
4. Abuse, misuse, negligent acts or omissions of customers and persons under Customer's control.
5. Acts of third parties, acts of God, accident, fire, lightning, power surges or outages, or other hazards.

LIMITED WARRANTY. Polycom warrants to the end user (“Customer”) that this product will be free from defects in materials and workmanship, under normal use and service, for one year from the date of purchase from Polycom or its authorized reseller.

Polycom’s sole redemption under this express warranty shall be, at Polycom’s option and expense, to repair the defective product or part, deliver to Customer an equivalent product or part for safe return of the defective product, or refund the purchase price and for the defective product. All products that are replaced will become the property of Polycom. Replacement products or parts may be new or reconditioned. Polycom warrants any replaced or repaired product or part for ninety (90) days from shipment or the remainder of the original warranty period, whichever is longer.

Products returned to Polycom must be user packed and palletized appropriately for safe shipment, and it is recommended that they be insured or sent by a method that provides for tracking of the package. Responsibility for loss or damage does not transfer to Polycom until the returned item is received by Polycom. The required or replaced item will be shipped to Customer, at Polycom’s expense, not later than thirty (30) days after Polycom receives the defective product, and Polycom will retain risk of loss or damage until the item is delivered and received by Customer.

SERVICE AGREEMENTS. Please contact your Polycom Authorized Reseller for information about service agreements available to your product.
